Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

A new turf is desperately needed as  
games and practices are scheduled at  
inappropriate times conducive to  
good, healthy, social and safe sport.  
Having kids play at 9pm on a  
Sunday night as an example is  
not good!

Please continue on reverse side if further space is required.

Thank you for making this submission.
