Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

A new turf would be a huge  
advantage <sup>& needed</sup> Nunwek Park is  
used 80-90 ~~weeks~~ hours a week.  
The demand exceeds the available  
space & time.

Many games are held late at  
night & is not suitable for  
younger children

Please continue on reverse side if further space is required.

Thank you for making this submission.
