Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

PLEASE help Canterbury Hockey move forward  
we are stifling the sport.

We desperately need minimum an extra water  
turf at Parritt, and another sand turf at Nunwood.  
We want to host tournaments successfully -  
and move the sport forward.

Please continue on reverse side if further space is required.

Thank you for making this submission.
