Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

Hockey is now a turf sport, both
in other parts of NZ & overseas
it is not a grass field
sport anymore. For the development
of Canterbury hockey Youth teams
should play on Turfs.

~~Also at STS~~

There are not enough turfs
for some teams to practice &
play in a week. Games are being played

Please continue on reverse side if further space is required.
