Phone No (evening) 337 1485

Email (if applicable) paul.hartland@cc.c.c.nz

Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

Hockey is a fantastic sport for both men & women. Artificial surfaces increase skill levels & levels of participation and enjoyment in the game. The existing facilities are stretched & the development of the game is being constrained through the lack of facility availability. NZ hockey has a presence on the international stage & the more we can do for the development of the game in this country the better. It has the potential to be a very high profile sport in this country.

Please continue on reverse side if further space is required.

Thank you for making this submission.
