Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

For the number of players, CH-CH has  
the worst proportion of artificial  
turfs in N-2.  
Players are playing at unreasonable  
times and training turfs are not  
always available.  
Very hard to grow the sport!
