Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

Because there are too many young hockey  
members not getting enough "TURF TIME"  
Schools in ~~most~~ the public sector  
train on grass. Pkbl Private Schools quite  
often have the funds for own turfs  
this makes an unfair disadvantage to  
lower income earners children in the  
sport.

Please continue on reverse side if further space is required.

Thank you for making this submission.
