Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

There are not enough facilities for hockey in
Christchurch, the current facilities are over booked
and over crowded. Training sees either 4 teams
trying to train on the same turf or 2 teams
at 10 at night.

Please continue on reverse side if further space is required.

Thank you for making this submission.
