Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

Canterbury Hockey needs a more central facility such as Hagley Park. Players, coaches & supporters currently have to travel far and wide for hockey. A city the size of ours should have a world-class artificial fields in a more central location to accommodate current & future demand. Hockey is a popular and growing sport.
