Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

We are very unresourced in Canterbury.
In Midlands, they have 15 turfs in the
region. Good quality turfs are essential
for player development, therefore the
Council should work with Canterbury Hockey
to establish funding for more turfs!

Please continue on reverse side if further space is required.

Thank you for making this submission.
