Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

I think the council should ~~take~~ consider more turfs because it would allow canterbury hockey to develop. This is because more teams would be able to train & play on better & bigger turfs. It would ~~also~~ give a bigger opportunity for development. ~~we~~ would also be able to have tournaments in christchurch with more turfs bring money to the town. (tapao

have two turfs for the purpose of tournaments)
Thank you for making this submission.

There is not enough turfs that
we are training & playing till
very late everynight.

We have a small amount of
turfs compared to other citys.
