Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

It would give more availability ~~to players~~ for
extra times that teams can train. ~~As~~

It can be frustrating having to train
at late hours in the night.

Please continue on reverse side if further space is required.

Thank you for making this submission.
