Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

I think that the council ~~is~~ should consider
this because players in this area are
under done in terms of pitch availability
for training, game & training times, CHA
is unable to accommodate pitch for both
players & teams (both club & rep) adequately
& in area growing in playing numbers
each year it is a need for an extra
pitch that will continue the growth &
success in this sport locally & as a nation.

Please continue on reverse side if further space is required.

Thank you for making this submission.
