Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

Christchurch needs artificial hockey
turfs over near the hills ^(south) as other
than Sydenham Park, our side of
town has no other hockey turf.
There are plenty of green spaces that
could be used - eg: Pioneer
Stadium's adjacent park. To practice
or play our children must be driven
to the other side of town through
terrible traffic usually, extra miles

Please continue on reverse side if further space is required.

Thank you for making this submission.

for no good
reason.
