Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

The council needs to plan for fund allocation to construct a new full sized water based turf. Facilities at present are not adequate to meet the current demands for hockey let alone to allow for the growth of the sport in years to come. Council needs to support central Govt and their initiatives to keep children/youth/adults active and involved in sport. The lack of current facilities means not all teams can access turf & are relegated to grass. After playing 5
