Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

To continue Christchurch's strong history
of supporting hockey, the council must
consider the needs of the sport.

Today's young people have many
distractions and sport can provide the
structure and social benefits to keep them
out of trouble.

Funding of all sports, not just hockey,
should be based on the needs of the
community. Contribute to this great sports legacy.

Please continue on reverse side if further space is required.

Thank you for making this submission.
