Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

The number of fields is not enough to accommodate the growth of the sport. Children are playing either too late in the day or too early: frost still a field is not <sup>to be</sup> recommended.

The numbers of teams per club are limited which means that progression through the grades is often dictated by number of teams space available not skill level of children progressing.

Hockey is a growing sport: We need to future

Please continue on reverse side if further space is required.

Thank you for making this submission.

proof its success both locally and internationally by good support and facilities at grass roots levels.
