Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

For hockey to continue to
grow as a sport we need
more turfs. At times
some teams train on just 1/4
of a field - can you imagine
rugby in the same situation?!

Please continue on reverse side if further space is required.

Thank you for making this submission.
