Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

I pay \$300 in fees a year, & play in Division 2 (2nd from the top). Because of this I find it very frustrating & unreasonable that we are forced to train 9-10pm at night. This affects me the next day, at work, as I am always tired & grumpy due to a too late bedtime! We need more turf available, particularly for training time.

Please continue on reverse side if further space is required.

Thank you for making this submission.
