Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

Due to the lack of sufficient turfs its a  
shame to see some Intermediate Grades having  
to play regularly on grass

The early starts & late finishes are difficult  
for family life.

Hockey is a great sport and the council should  
be providing/assisting ~~providing~~ <sup>with</sup> appropriate  
facillities for an active community

WE NEED MORE TURF!!

Please continue on reverse side if further space is required.

Thank you for making this submission.
