Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

To give more opportunity to the younger
players coming up through the grades to
play on good playing turfs. rather than
concrete netball courts and bumpy tennis courts.

Please continue on reverse side if further space is required.

Thank you for making this submission.
