Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

The sport is becoming increasingly popular,
but is being held back by lack of turf.
4 teams practise on 1 field at the same time
when our girls practise.

Please continue on reverse side if further space is required.

Thank you for making this submission.
