Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

Hockey is an Olympic Sport, + should receive more fields to play on.  
Our Juniors play on tennis courts.  
My daughter played on grass last year,  
Also 4 teams practicing on ONE field is not enough room.  
Put an astro turf down at Nunweeke,  
There is room for one there.

Please continue on reverse side if further space is required.

Thank you for making this submission.
