Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

There is a lack of hockey fields in
Chch which means that game times
are at have to be either very early
or late. We want to encourage
more junior players into the game, but
these ~~game~~ lack of turfs is a deterrent.
Funding from the council for new turfs
is needed, we need kids playing
sport.

Please continue on reverse side if further space is required.

Thank you for making this submission.
