Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

We need more turf on the
Northwest side of town i.e. Nunwek turf.

Not enough turfs for teams to
practice and unrealistic games
times.

Please continue on reverse side if further space is required.

Thank you for making this submission.
