Please be as specific as possible to help us understand your views.

What do you want the Council to consider? What specific action you think the Council should take?  
Why should this be done?

I would like the Council + staff to keep in mind the plight of the country before they carry out their think big programmes over the next few years.

value of properties gone down (but not their rates)  
People many of them have fixed mortgages.

No rates increase

Minium be applied to raising fees.

No pay rises for Council.

Smaller rental increase for housing rentals.

Suggest you get time + motion people in (so as to make the Council use its resources + staff more economically cut down costs such as dinners wine evenings for staff and spouses, partners, when having get togethers etc (bring plates

I think citizens of ChCh are tightening their belts and Council should set an example + do the same.

Many people have been asked recently for submissions on three or 4 different things.

Do the Council take any notice?
