**Your Submission:**

Approve a building extension to a CCC owned building at the corner of Springs Road/Corsair Drive, Wigram currently leased by Olympia Gymnastic Sports. We would also appreciate the Council adding our project to the LTCCP as the need for an indoor sports facility in this area has already been identified in your plan. Olympia Gymnastic Sports are in the position that we urgently require further space to grow for the 650 club members and over 8000 annual hours usage by the wider community, including providing facilities for the YMCA Holiday Programmes, the OSCAR holiday programme, Autism Canterbury, Primary Schools etc. Further to these requirements Olympia wishes to obtain Council support/commitment by way of funding for our project.

The building extension committee has an eight minute powerpoint presentation to share with the Council at a hearing and we would appreciate being allocated a hearing time.
