TWO SUBMISSIONS.

Please be as specific as possible to help us understand your views.

What do you want the Council to consider? What specific action you think the Council should take?
Why should this be done?

1/
Allocation of Traffic Policing duties within the City

Pay more attention to Policing speeding & dangerous Driving than concentrating on the basically harmless and technical offending of middle aged & older Drivers. I personally have witnessed & observed Police Vehicles turning on gold & red lights at controlled intersections. Traffic Officers should be more realistic & less dogmatic in controversial circumstances.

Instruct the Traffic Control Section that they are not revenue collectors, but without compromising standards, be more receptive to the valid & reasonable explanations offered by Drivers who they apprehend for minor infractions

2/
Support of Organisations providing healthy & Social Recreational facilities for Older Citizens with limited incomes

Provide reasonable additional funding to Organisations (eg. Lawn Bowls Clubs) to enable them to meet the increasing costs of maintaining facilities on Council Leased Property

It would assist many Beneficiaries to maintain participation in the face of rising subscriptions & Levies. Keep more elderly persons Physically & socially active within a stimulating & caring environment.
