Your Submission:

Proposed upgrade for Cowles Stadium:
Teams from our korfbal club have been regular users of Cowles Stadium for a number of years, playing in the regional competition on a Tuesday evening. We support the proposed upgrade for Cowles and are looking forward to using the upgraded facility. Our submission to request that the timing for the upgrade at least remain as proposed (2010/11), or if possible be brought forward to 2009/10.

New south-west leisure centre:

As a sports club based on the west side of the city we support the proposed development of a leisure centre nearby. Our submission is to request that the timing for the proposed development be brought forward to a start date of 2012/13 rather than 2014/15.

Thank you.
