

Hi my name is Matt and I live in Tumara park in Burwood. In closed in this envelope there is a petition that I, and a lot of other people have signed. This petition is for a Skatepark for skateboards, scooters and bmx bikes. The reason we want a skate park in Tamara park is because me and my friends are all skateboarders and scooterers and we are getting bored with the surroundings. We think that a skate park would be a great idea to keep us amused, we also had a look around Tumara park for a good spot for the skatepark and we figured a perfect place would be at Tutarangi park which is our local park and has a huge area for it. All we are asking is for a simple skatepark. Thank you.

Kind regards : Matt, Calym, Steven, Joel, Cameron, Marcus and Beka.

Pictured below is Tutarangi park which we think would be the perfect place for it.

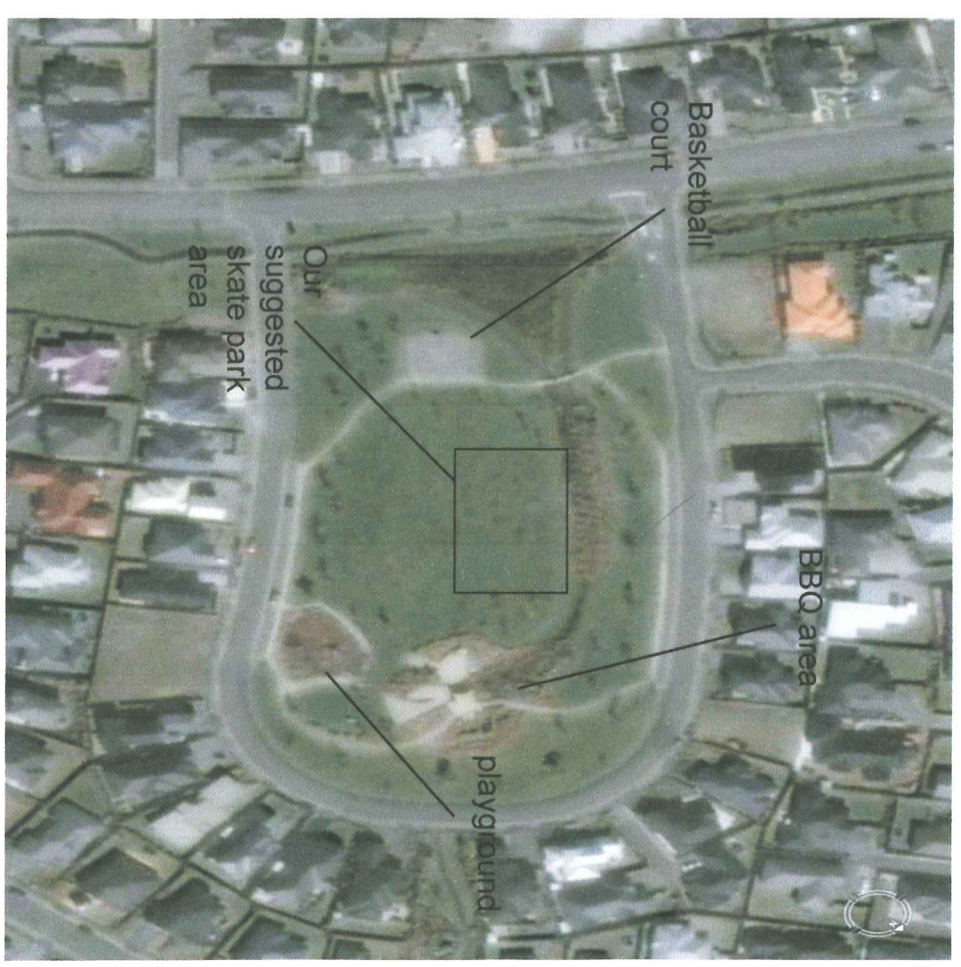

Regards

Matt
