Your Submission:	We are part of the - Rawhiti Community Sport project. Our Club , has just celebrated our Centenary , but are finding it impossible to continue to provide the facilities required for our Club .. which includes a 'highly-motivated' Junior section. The costs of upkeep of our Clubrooms , which in the past were supported by a 'Housie night' , continue to escalate. We are FULLY involved with the Rahiti Community Sports Complex , and urge the council to provide the Financial Suport necessary , to enable it to proceed.
