Your Submission:	<p>Currently there is no indoor venue available for roller sports clubs to utilise. There is a need for a venue for our roller derby league to train, as well as figure skating groups, inline hockey groups and recreational skaters. A space such as this could also be used for youth groups, school programs, learn to skate activities and team building exercises.</p> <p>We would be asking for either:</p> <ul style="list-style-type: none"><li>a) A grant to assist in the leasing of an appropriate venue</li><li>OR</li><li>b) A venue to be provided</li></ul> <p>As roller derby grows rapidly both nationally and within Christchurch a need for a venue to hold national championships, and eventually international championships is needed. Again this could be used for other skate sports for their nationals or international meets.</p> <p>Thank you for your consideration.</p>
