Please be as specific as possible to help us understand your views.

What do you want the Council to consider? What specific action you think the Council should take?  
Why should this be done?

Could you please consider a International Size Ice Rink. There are many people involved in ice sports and now as christchurch grows one small undersize rink is not being able to fulfil the needs of all the sports, or the entertainment sector. As christchurch grows into the winter city of New Zealand a ice rink possibly ~~be~~ name the Sir Edmond Hillary Complex would ~~be~~ an asset to us.

The ice rink here is in poor condition, cold and very hard to get time on the ice due to so many people involved in there chosen sport.

I attended the Australian Youth Olympic's 2007 and went to there ice rink. The rink was warm, in fact people were in short sleeves top the seating was seperate, not wooden planks like we have at the moment.

A new rink would bring more young people of the streets, ~~so~~ many skate park skaters would participate, as this is all year round the rain and cold weather would not hinder them. To host international competitions here would bring revenue to our city, especially ice hockey, many people would love to watch this game at a high level. maybe even our Rachel Hunter

You may add more pages if you wish. Thank you for your submission.

now being involved in winter sport is another way of promoting our city.

We have winter Olympics and in Christchurch for top athletes, there is no training facility for them at this level, therefore forcing them to go overseas, I would much prefer them to train and spend their money in Christchurch.

In the entertainment area the existing rink can only hold so many people, therefore as we grow in numbers I believe there is room for a council rink in Christchurch.

I look forward to hearing from you

Shirley Rowley.
