Your Submission:	<p>Submission to the CCC Long Term Council Community Plan</p> <p>Christchurch has a growing problem with unwanted cats being abandoned in the city. This creates health and nuisance problems for a large sector of the community, especially those living in low income or State housing areas.</p> <p>The Council's response to the problem is inadequate at best and at worst inhumane, exacerbates the problem and puts lives at risk.</p> <p>Kerry Downey lost her life on the 18.8.2008 whilst dealing with a situation that should have been the responsibility of the paid authorities i.e. SPCA the Council or HNZ.</p> <p>In the wake of Kerry Downey's death, we would ask the Council to consider the ramifications of their inadequate response to this growing problem.</p> <p>We would ask that the Council implement or be part of a comprehensive plan to minimise the problem, not make it worse.</p> <p>The status quo is not the solution.</p> <p>Wendy Sisson Trustee Cats Unloved Representing 15 volunteers</p> <p>I request that I be able to use a power point</p>
