Your Submission: I would like the old dish channel removed from Caledonian road and replaced with flat channel. The dish is in a bad state of repair. There is the Southern Cross hospital, two halls, an large old peoples home and the new development on the Caledoain Pub site all putting pressure on the road. Also since Springfield road is now so congested alot more vechiles are coming down Caledonian Road. These vechiles are not travelling at a slow speed. Caledonian Road is a local road, and the only street left with old dish cahnnel and no traffic calming.
Thanks
