# Submission Form

Please be as specific as possible to help us understand your views.

- ① What do you want the Council to consider? What specific action you think the Council should take?  
③ Why should this be done?

## ① Heritage Protection

② Greater legal protection for pre 1940's houses. They are falling like dominoes at the moment. ③ Loss of city's soul and culture

## ① Swimming Pool for East of Christchurch

② With the loss of Edgeware Pool, Residents are feeling the inequality of having to travel long(er) distances to pool facilities.

## ① Retention of Edgeware Rd Pool Site for Community Use

② Give land back to community. ③ Community can decide what they want to do with it. Empower residents which gives them a sense of belonging.

## ① Safer Cycling Routes

② Make sure all road users are safe by ensuring a continuous set of cycleways around the city (especially in the inner city)

③ Too many cycle accidents at the moment. Council should be encouraging people to get "on" their bikes - what about "bike n' ride" into town - bike to a secure lock-up and catch a bus into the city centre?
