Your Submission:

Early Learning Centres.
It is important to the community that the Council continue to support early childhood education, and the not for profit centres working closely supporting families, particularly by:
Retaining status quo, continuing to operate the 3 childcare facilities, Pioneer Early Learning Centre, Tuam St and Q E II.
or assisting the Pioneer ELC and QEII Preschools to become not for profit community preschools.
The council also needs to support the other preschools in Council buildings under the current rental system and not to charge market rent which will cause hardship to the families attending these centres which may be forced to close.
