Please be as specific as possible to help us understand your views.

What do you want the Council to consider? What specific action do you think the Council should take?

Why should this be done?

Pioneer ELC is a community asset with a unique position - it provides flexible, affordable part time care with excellent learning opportunities and an excellent teacher/child ratio.

If it is rates neutral and a benefit to the local community why get rid of it or outsource it?

Perhaps it should instead be strengthened so it can provide profit for the Council.

All those paying for it support it and it is very well used.

There are very little options for part time care now that 20 free hours has been introduced. Most commercial centres force extra hours. Kindergartens provide no care before 3 years and have fixed hours and ~~the~~ more children per teacher.

Please keep running Pioneer as it is and help strengthen value it. It is an ~~asset~~ asset to Christchurch.

I suggest you change the criteria/reason for council centres to reflect today's needs and demands.
