Please be as specific as possible to help us understand your views.

What do you want the Council to consider? What specific action you think the Council should take?
Why should this be done?

Dear Sir, Madam,

My submission is short + sweet + will maybe help to get rid of a small problem.

The organics rubbish bin is too small + the red bin is too small so why not swap them over on a needs basis

Solution

Have a green cover or sleeve like cover with 2 tags to secure over the red rubbish bin which can be used whenever needed.

Council will make + supply covers to fit + may charge a small fee + may be picked up at service centers saving on stamps. ?

Yours faithfully,

R. J. Smith.
