Your Submission:

We, the above, respectfully request that the Christchurch City Council **RETAIN** and **REDEVELOP** the historic and valuable piece of land at the former Edgeware Pool site (43A Edgeware Road.)

Our family would like the **ENTIRE** portion of this land be retained for use by everyone in our growing St Albans community (as evidenced by the on-going urban intensification in our suburb). We **DO NOT** want the majority of the site to be sold off for housing.

We believe that the CCC's proposal (as detailed on page 11 of the LTCCP Summary) of setting aside a small portion of the site for a community garden will **NOT** adequately service the needs of our growing and diverse community.

We would like the entire site be set aside as a park with a generous area for a community garden within its boundaries.
