What do you want the Council to consider? What specific action you think the Council should take? Why should this be done?

I, the above, wish the Council to retain the historic piece of land at the old Edgeware Pool site at 43a

Edgeware Road. I would like this land to be retained for community use as originally intended.

Further details *The land was gifted to the Council & should therefore be retained as public land. Selling of this land would be unethical.*

This must not happen especially after the illegal demolition of the pool by the Council.

St Albans is a great group of people and the CCC needs to stop doing horrible things to make us hate dislike them.
