What do you want the Council to consider ? What specific action you think the Council should take ? Why should this be done ?

I, the above, wish the Council to retain the historic piece of land at the old Edgware Pool site at 43a Edgware Road. I would like this land to be retained for community use as originally intended.

Further details. In St Albans we see our community under great stress - too much intensive housing, green spaces reducing, community facilities such as our pool bulldozed by the council. As Once this land is sold - it is lost to the community forever so it needs to be protected and retained for the community as was originally intended.
