What do you want the Council to consider? What specific action you think the Council should take? Why should this be done?

**I, the above, wish the Council to retain the historic piece of land at the old Edgeware Pool site at 43a**

**Edgeware Road. I would like this land to be retained for community use as originally intended.**

Further details. I understand the Crd City Council  
has acquired at least 100,000 sq metres of land  
for various reasons, + projects that are  
mostly an eyesore + derelict. <sup>in</sup> St Albans And now we have  
approx 3000 <sup>more</sup> sq metres lying <sup>in</sup> derelict ~~mostly~~ in  
the previous St Albans Pool site. I feel strongly  
that the council should at least clear the site of  
the mess made at the demolition, so the site can  
be used by the community as it has <sup>been</sup> for many  
years, + definitely not be sold to a developer.
