What do you want the Council to consider ? What specific action you think the Council should take ? Why should this be done ?

I, the above, wish the Council to retain the historic piece of land at the old Edgeware Pool site at 43a

Edgeware Road. I would like this land to be retained for community use as originally intended.

Further details. Letting the community group continue with its inspired and practical pool plans is my preferred course of action. I have lived next door to the community pool for 23 years and found it a wonderful community facility which caters for all ages, with a safe, open and friendly environment.
