What do you want the Council to consider ? What specific action you think the Council should take ? Why should this be done ?

I, the above, wish the Council to retain the historic piece of land at the old Edgware Pool site at 43a Edgware Road. I would like this land to be retained for community use as originally intended.

Further details. To lose this greenspace in a time of increasing infill & density of housing would be an irreversible mistake. There is ample land available for developing housing in the suburb as evidenced by the multitude of vacant sections. This community greenspace will be lost forever if sold (or at ^{least} not swapped for an equally sized area in a more 'park-safe' location) If it must be built as I believe it should only house community resources (eg: Oscar, Toy library)
