Please be as specific as possible to help us understand your views.

What do you want the Council to consider? What specific action you think the Council should take?
Why should this be done?

I think it is a great idea that the council is extending the tram tracks. It will create more business flow through inner city st, such as Castel Mall & High St.

It will increase Christchurch attractiveness to tourists & maybe even help with some of the large traffic flow issues in inner city.
