Please be as specific as possible to help us understand your views.

What do you want the Council to consider? What specific action you think the Council should take?  
Why should this be done?

Dear Sir / madame, I would like the city council to actively expand the city tramway to revitalise the city, to encourage people to visit parts of the city they may not normally go to.

The parts of the city currently served by the tram seem to <sup>have</sup> a vigorous and lively atmosphere and I believe this should be expanded to other parts of the city.

Trams contribute to the exotic and unique culture of Christchurch and have become iconic to the city.
