Please be as specific as possible to help us understand your views.

What do you want the Council to consider? What specific action you think the Council should take?
Why should this be done?

I firmly believe the Council should be encouraging people back into the inner city to revitalise it and the tramway extension is vital to this. Not only will it take visitors into an area that most do not venture into at present, but will also encourage locals as well to come into the city.

There is no doubt that retailers will benefit from the tramway extension as visitors will spend in the local shops, having seen them from the tram. (At present they do not know where to find these shops as many short stay visitors only go into the Square and the cultural precinct.)

The trams are unique to Christchurch. Enhancing them will be of benefit to the whole city. It will be money well spent.
