

**SUBMISSION OF THE
FENDALTON/WAIMAIRI COMMUNITY BOARD**

ON

**Draft 2008/09 Annual Plan
April 2008**

The Fendalton/Waimairi Community Board (the Board) makes the following submissions on the consultation document. The Board would like to be heard.

1. Extended Tram route Proposal

- 1.1 The Board supports the proposal to extend the Central City tram route via Oxford Terrace, City Mall, Manchester, High and Colombo sts.

2. Capital Works Programme

- 2.1 The Board supports and encourages questions whether there is any provision for crèche facilities near Jellie Park for users of the upgraded pool complex

3. Regulatory Services

- 3.1 The Board supports encourages the quicker processing of consents.
- 3.2 The Board is concerned at the prevalence of abuse of alcohol. It requests that the Council investigate reviewing 24 hour liquor licencing and supports an alcohol ban in the Merivale Precinct area and in local parks with the exemption of Sports Clubs who hold licenses.

4. Streets and Transport

- 4.1 The Board considers that there are safety issues for students exiting Bishopdale and Westburn schools. It is awaiting a feasibility study (May/June 2008) into the provision of pedestrian signals outside these schools and requests that the Council set aside money for this project in the 2008/09 budget.

5. Water Supply

- 5.1. The Board notes the recent announcements and regrading of water quality in the North-West area and is concerned with the rating of Da for the area. I
- 5.2 The Board considers that new deeper wells should be sunk to improve the quality of the water in the area. The Board would like to be involved in discussions about where these should be sited.
