Your Submission:	<p>Hello</p> <p>My comments are related to older people:</p> <p>Rubbish collection – there will be significant issues for older people who do not have support people to assist them with getting their new rubbish bins to the kerbside for collection – what steps will be taken to assist where necessary? This will be particularly difficult in the hillside suburbs.</p> <p>Community support – presumably older people are included in the % satisfaction with quality of support provided to target community groups?</p> <p>Winter warmth – ensuring the Council has budgeted to assist with upgrading housing for older people, including its own rental units.</p> <p>Ensuring older people understand the rate rebate scheme and how they can access it – could possibly be done in conjunction with the Department of Work and Income advisors.</p> <p>Thank you for the opportunity to comment.</p> <p>Regards Gill</p> <p>Gill Coe Project Facilitator Older Persons Health Service P O Box 800 Christchurch</p> <p>Level 2 The Princess Margaret Hospital Cashmere Road Ph: 337-8653 (68653 internal)</p>
